Demonstration Week

All week long we will be celebrating your child's successes! Come join us during your child's class and watch as they demonstrate their show for you. Bring family, friends and your camera for this free event. At the end of each class we will be awarding medals and certificates for each child. Photos are welcome.

It's here already, although it doesn't seem it with our cool weather.

We will be running camps and classes all summer long starting June 22nd.. Take a look at our schedule and pop into one, two or nine or more classes this summer. Remember, summer is different than our regular schedule. You do not need to sign up for nine classes, but can pick and choose which ones and when. As well, parents can pay for nine classes and split them between two or more children. Prices for summer are discounted, and additional children get even more of a bonus.

Gymnastics and Cheer camps will run with a minimum of six to eight children.

Babysitting will be available from 2p to 5:30p after camp has ended for the low price of \$2 / hour / child or \$3 / hour / two children.

Sign up now to secure your spot.

PRIORITY REGISTRATION FOR FALL 2015

We will be holding Fall Priority Registration from **June 8th - June 20th**.

There will be a 10% discount for those paying for the session in full, and a 15% discount for those paying for the year.

Your child will be receiving a recommendation as to the best class for them in the upcoming fall session. When they sign up for their summer session, they can also explore those new class options.

It's all about
